IAC Ad Hoc Guided Missile Intelligence Survey Committee

1. The attached directive, approved by the IAC on 19 July, establishes an IAC Ad Hoc Guided Missile Intelligence Survey Committee and sets forth the terms of reference of that Committee.

2. The Committee will be activated as soon as all members of the Committee have been appointed by the IAC members. The names of appointees should be sent to the Secretary (Code 143, extension 563).

25X1A 3. [REDACTED] (Code 143, extension 2154) has been designated CIA member of the Committee and is charged with organizing the Committee pending the appointment by the IAC of a Chairman and Secretary.

4. The IAC expressed a desire to have the ad hoc Committee concentrate on the intelligence effort against the Sino-Soviet Bloc. It did not, however, introduce language into the directive to make this point. The Secretary has introduced a phrase into the first sentence of para. 1 to cover the point.
